Monday 1 October 2012

Dear Mayor and Council:

The Directors of Grandview-Woodland Area Council (commonly known as GWAC), the main community association of Grandview-Woodland, passed the following motion at its October meeting.

WHEREAS the Final Report of the Mayor's Task Force on Housing Affordability (MTF) was released to the public on September 26th, 2012, and

WHEREAS the MTF includes recommendations that have a significant impact on zoning decisions in Grandview and throughout the City, and

WHEREAS three working days is not enough to fully digest and understand the consequences of the MTF recommendations,

Be it RESOLVED that Vancouver City Council is requested to receive the Final Report of the Mayor's Task Force on Housing Affordability at the City Council meeting on Tuesday 2nd October, 2012, but to delay any decision(s) on the MTF recommendations until the public and organizations such as the Grandview-Woodland Area Council have had a reasonable length of time to study the MTF and to make their opinions known to Council;

Be it further RESOLVED that this motion be sent by email to the Mayor and each Vancouver councillor before noon on Tuesday 2nd October, 2012.

Sincerely,

The Directors of Grandview-Woodland Area Council (GWAC)
